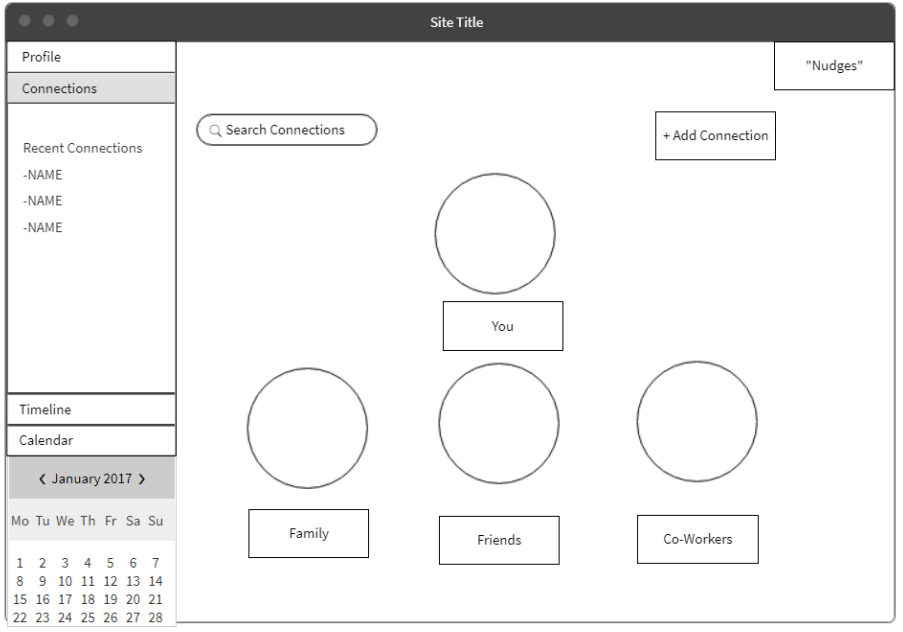
Home Page Notes

- Home page – default to Profile (User)
- Connections
- Timeline
- Calendar (unlikely in MVP)

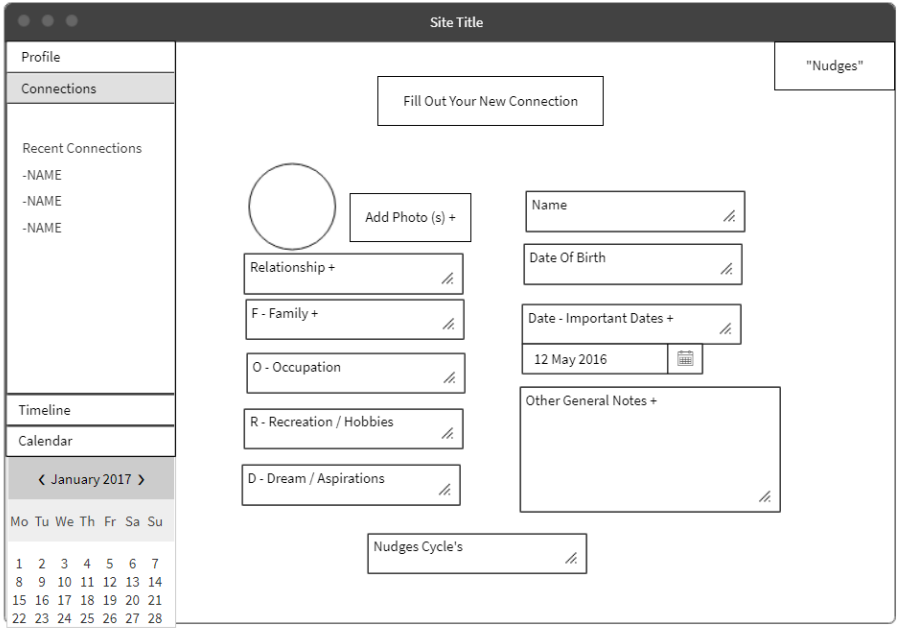
Connections



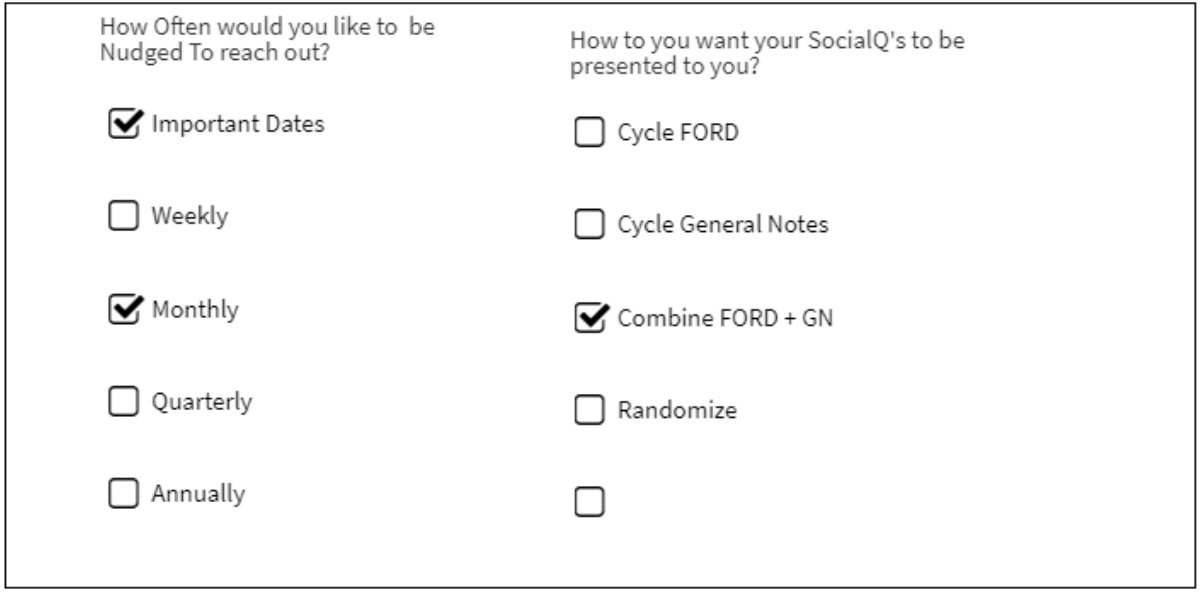
Connections

- Grouped by Relationship Type
- Family / Friends / CoWorkers
- We can probably create other catagories
  - College Friends / UNH programmers

New Connection



Nudging Cycle - Modal



New Connection

- Basic input from Laurie's Outline
- Completed Connection page has same info
  - In addition to List of past and upcoming "nudges"
- Recurrence Cycle is 2 part based
  - The frequency of nudges
  - The Promps cycle
